

TRU-COLOR™ EPDM Granules

RAISING THE BAR

Developed with the expertise and passion of Premier Materials' years of rubber compounding experience and innovation, Premier Materials TRU-COLOR EPDM Granules raise the bar of play and performance.

Benefits:

- Consistent Color Longevity
- Superior Weathering
- Granule Uniformity
- Slip Resistant
- Performance Feel
- Durability Over Time
- Rigorously Tested
- Variety of Options

Combining expertise, science, color-art, testing, manufacturing, sustainability and a resilient tenacity for improvement have been the driving forces in the development of Premier Materials TRU-COLOR EPDM granules.

Choose from twenty-four standard colors that can be crafted into the perfect play adventure, competitive running track, community walking path, or sports venue.

To provide a safe surface for play or competition, and achieve superior colorfastness, durability, and a performance feel, Premier Materials formulates granules with high quality materials. Virgin polymers, rich color pigments, UV stabilizers and natural ingredients comprise our granules for surfaces that will retain a newer look for longer.

- Vibrant Color Appearance
- Consistent Color Longevity
- Category-leading Weathering
- Slip Resistant
- Performance Feel
- Durability Over Time
- Granule Uniformity
- Rigorously Tested
- Variety of Options

TRU-COLOR EPDM Granules

Typical Properties

Property	Results
Sizes	0.5 - 1.5mm 1.0 - 3.5mm
Packaging	55 lb. poly bags (2,200 lbs. per skid) 2,000 lb. bulk tote bags

Warranty

1-year limited warranty for manufacturer defects.

Specifications

Test Type	ASTM	Result
Density	ASTM D297	41 lbs/ft ³
Hardness	ASTM D2240	60 +/- 5
Density	ASTM D297	1.55 g/cm ³ +/- 0.03
Elongation (at break)	ASTM D412	700%
Tensile Strength	ASTM D412	400 PSI
Moisture	ASTM D1509	1% max

Black SBR and Black Recycled EPDM are also available.

Green-5000A

Blue-5001A

Dark Blue-5002A

Red-5003A

Beige-5004A

Mid Grey-5005A

Mid Brown-5006A

Virgin Black-5007A

Eggshell-5008A

White-5009A

Custom colors are available upon request with applicable lead-time and minimum order quantity.
